

## REMARKS

The Office Action mailed 6/25/07 indicated claim 10 would be allowable if recast in independent form by including the limitations of base claim 8 and intervening claim 9. The following Amendment (filed 9/21/07) accordingly cancelled claim 10 and added its limitation to independent claim 8, but inadvertently neglected to also add the limitation of intervening claim 9 to claim 8.

This error is herein corrected, by cancelling claim 9 and adding its limitation to claim 8.

This amendment to the claims meets the requirements of MPEP 714.16 for entry by the Examiner. It is needed to bring the claims into conformance with the Office Action's stated requirements for allowability. This amendment thus does not call for an additional search or examination. This amendment was not presented earlier, because the error was not noticed earlier but only upon review of the claims before paying the issue fee.

Respectfully submitted,

Mitchell Rose (Reg. No. 47,906)
